VIRGINIA COMMONWEALTH UNIVERSITY

You are invited to participate in a
research study to help fellow
Parkinson's caregivers

Let your voice be heard!
Help shape the future of Parkinson's
caregiver health programs.

This study aims to investigate caregiver health and functioning. Please see a research associate in the clinic for how to get involved in our 45-minute paper-and-pencil survey, which can be completed in the Parkinson's and Movement Disorders Center. Compensation is not available.

Thank you!
